The following questions were asked and answered as shown:

Answer: Yes, the contract with all three roads will be awarded to the same Bidder.

Answer: White County will be responsible for barrels and will maintain them until the shoulder work is completed by White County.
- 5) For Bonnie Pearl Lane there will be approximately 803 sq. yds., at 1.5" deep, edge milling adjacent to the curb around the islands. This milling will not be paid for separately. Please include cost in the 402-1802 line item for this road.
