White County Planning and Development

Statement of Exemption
Land Disturbance Activities

I, _____ do hereby request exemption of a Land Disturbance Permit under Section III, subsection 8, of the White County Soil and Erosion Resolution.

Project Location _____

Land to be disturbed _____

Amount of land to be disturbed _____

I hereby certify that there are no State Waters within 200 feet of the area of land disturbance. I understand that exemption from the permit does not exempt me from the application of soil and erosion measures and that I agree to follow Best Management Practices as set forth by the above resolution.

I understand that any exemptions given will apply to this project only, and to only those items listed above. Should this project exceed the listed amount of area disturbed, I will notify the White County Planning and Community Development Department of any changes.

MANUFACTURED/MOBILE INSPECTIONS

1. SET-UP INSPECTION

This inspection will be conducted after the footing has been poured, no skirting installed, tie downs installed, HVAC ductwork installed, septic/plumbing tie-in completed, electrical service installed and ready for power. No permanent electric service until final inspection is completed.

2. FINAL INSPECTION

This inspection will be conducted after all final grading and work is ready to move into. Permanent electrical service will be given upon passing final inspection.

A certificated of occupancy will only be issued after the final inspection has been approved, and only at that time is the structure to be occupied.
