The following questions were asked and answered as shown:

- 1) Will both sections of Westmoreland Rd. be awarded to the same Bidder?
Answer: Yes, the contract with both sections will be awarded to the same Bidder that has the lowest overall bid.
- 2) Is the Contractor to re-stripe the road?
Answer: White County will be responsible for temporary and permanent road striping, not the Contractor.
- 3) In the 1.25 mile section of Westmoreland Rd. the 9.5 MM quantities seem to be overstated a bit, is this because of the turn lanes and intersections?
Answer: Yes, this includes turn lanes and intersections as well as driveways. The size for aprons has been planned and instructions for sizes will be done in the field by the Project Manager.
