

White County, Georgia

ADDENDUM # 1

August 8, 2019

Demolition and Removal of Bleachers Invitation to Bid Project# 2019-ITB-PR071819A

ITB Closing Date: Thursday, August 15, 2019
Time: 2:00 PM

This addendum is issued to change or clarify the bid documents associated with the Demolition and Removal of Bleachers ITB, Issued July 18, 2019.

Q1. Can you please write a more descriptive on the scope of work for the “The contractor will be responsible for waterproofing two (2) exterior doors.” Also, I believe there are 2 sets of 2 doors so it should probably read 4 exterior doors. I think there needs to be more details on what is expected to be installed. I have been given pricing for as little as \$500 to just add weather striping around the doors (may or may not fix the issues) to complete replacement of the doors, all hardware, weather striping, door sweeps, moulin seals, rain drips, that’s over \$10,000 but guaranteed to seal the doors. Please supply wording or a description of exactly what you want done so everyone can bid to the same specs. or move this scope of work to its own bid.

A1. Currently, White County is looking for a guaranteed water tight solution for each door opening in their entirety. It is the responsibility of the offeror to provide and price a solution that achieves this end result.

Note: A signed acknowledgement of this addendum must be received by the White County Finance Director and attached to your proposal response.
