

WHITE COUNTY BOARD OF COMMISSIONERS

MINUTES OF THE COMBINED WORK SESSION & REGULAR MEETING

HELD MONDAY, JUNE 26, 2017 AT 4:30 P.M.

The White County Board of Commissioners held a combined Work Session and Regular Meeting on Monday, June 26, 2017 at 4:30 p.m. in the Board Room at the Administration Building. Present for the meeting were: Chairman Travis Turner, Commissioner Terry Goodger, Commissioner Lyn Holcomb, Commissioner Edwin Nix, Commissioner Craig Bryant, County Manager Michael Melton, Finance Director Vicki Mays, and County Clerk Shanda Murphy.

Chairman Turner called the meeting to order.

Following the Pledge of Allegiance, Pastor Cheryl Kennedy of The Bridge Church and The White County Ministerial Alliance provided the invocation.

Upon a motion made by Commissioner Bryant, seconded by Commissioner Nix there was a unanimous vote to adopt the minutes of the June 5, 2017 Budget Public Hearing & Regular Meeting, the June 6, 2017 Yonah Preserve Planning Meeting, and the June 12, 2017 Called Meeting.

County Attorney Bill House was honored on the occasion of this retirement. The Board expressed their appreciation to Mr. House for his years of service to White County and welcomed Ms. Mary Jane Henneke as the new County Attorney.

The White County Finance Department was recognized for their receipt of the Certificate of Achievement for Excellence in Financial Reporting for Fiscal Year 2016 from the Government Finance Officers Association.

Mr. Ron Webb of the Northeast Georgia Veteran's Society presented a proposal for the placement of a monument at Freedom Park in honor of Private Rondall H. Glaze (1926-1945). Mr. Webb stated that Private Glaze is White County's highest decorated soldier – having received the Distinguished Service Cross, the nation's second highest honor of valor. He explained that Private Glaze's military honor was a result of his heroic acts as a U.S. Army Soldier in World War II. Mr. Webb stated that the Veteran's Society would fund the cost of the monument; however they would need the county's assistance with landscaping. He stated that the goal would be to dedicate the monument on Memorial Day 2018. Mr. Webb explained that he had requested the Board of Education name a school for Private Glaze; however it was determined that naming a school for an individual was not within the Board of Education's Policy. The Board of Education had however agreed to name a room in the Junior ROTC Facility in Private Glaze's honor. Mr. Webb stated that the only previous honor to Private Glaze that he is aware of was done by the American Legion Post 16 in 1947 when Private Glaze's remains returned to the County.

There was a consensus of the Board that Commissioner Goodger and Commissioner Holcomb would meet with Mr. Webb regarding a proposed design and location – with this to be brought back before the Board of Commissioners at the next Work Session for further discussion.

Mr. Melton presented the bids received for the Phase 2 Trail Construction at Yonah Preserve. With eight bids having been received, the low bidder was Flowmotion of Aniston, Alabama who is the current contractor working on Phase 1. Mr. Melton stated the low bid was \$77,376.40, was recommended for approval by SORBA, and would be funded by the Recreational Trails Project (RTP) Grant through the Georgia Department of Natural Resources (DNR).

Upon a motion made by Commissioner Goodger, seconded by Commissioner Holcomb there was a unanimous vote to award the contract for the Phase 2 Trail Construction at Yonah Preserve to Flowmotion Trail Builders in the amount of \$77,376.40 – to be funded through RTP Grant Funds.

Mr. Kevin Hamby, SPLOST Manager / Hamby Management, presented the monthly SPLOST Status Report (see attached). Mr. Hamby advised the Board that with the current account balance versus the encumbrances to date – special attention needed to be paid to potential cash flow issues. He stated that in addition to the 2014 SPLOST being included in the reporting, the 2008 SPLOST has a balance of \$753,000.00. He provided a brief status update on the Yonah Preserve Project – stating that surveying was completed, geo-tech work was in process, and a group update meeting would be held within the next few weeks to move forward with design work.

Mr. Melton presented information on lease-purchase options for seven (7) vehicles for the White County Sheriff's Office. He stated that an interest rate of 2.26% was available for a three-year term through ACCG (Association County Commissioners of Georgia) / BB&T. Commissioner Bryant expressed his opposition to leasing vehicles and his concern that additional vehicles would be needed next year as well. Chairman Turner stated that he preferred to not finance either; however with the low rate a lease-purchase option would be a way to meet the needs of the Sheriff's Office as well as manage the cash flow of the SPLOST Funds. Sheriff Walden stated that barring any unforeseen circumstances, he hoped that the acquisition of seven (7) vehicles would meet the department's need through the next (FY 19) budget year. Commissioner Nix expressed his concern about future vehicle needs as well. Sheriff Walden recommended a recurring cycle for the lease vehicles at the end of the three-year term. Mr. Melton recommended the quarterly payment option for the lease-purchase – which would be an encumbrance of \$26,962.56 per quarter for three (3) years. Sheriff Walden stated that if his department was not approved for the new vehicles as requested, the maintenance costs would exceed the amount budgeted for FY 2018. He noted the vehicles would be covered by a five (5) year warranty.

Upon a motion made by Commissioner Goodger, seconded by Commissioner Nix there was a vote to approve the lease-purchase through ACCG / BB&T for seven (7) vehicles for the White County Sheriff's Office for a three (3) year term at 2.26% interest in the amount of \$309,459.00 (principal) / \$14,091.75 (interest) - \$323,550.75 (total) to be paid from SPLOST on a quarterly basis. Chairman Turner and Commissioner Holcomb voted in favor of the motion. Commissioner

Bryant opposed the motion. Motion passed by a 4-1 vote, approving the following associated resolution.

RESOLUTION NO: 2017-09

A RESOLUTION ESTABLISHING AND IMPLEMENTING A PROGRAM TO CHARGE MITIGATION RATES FOR THE DEPLOYMENT OF EMERGENCY AND NON-EMERGENCY

SERVICES BY THE FIRE DEPARTMENT FOR SERVICES PROVIDED/RENDERED FOR THE WHITE COUNTY FIRE DEPARTMENT.

WHEREAS, the emergency services response activity to incidents continues to increase each year; Environmental Protection requirements involving equipment and training, and Homeland Security regulations involving equipment and training, creating additional demands on all operational aspects of the fire department services; and

WHEREAS, the fire department has investigated different methods to maintain a high level of quality of emergency and non-emergency service capability throughout times of constantly increasing service demands, where maintaining an effective response by the fire department decreases the costs of incidents to insurance carriers, businesses, and individuals through timely and effective management of emergency situations, saving lives and reducing property and environmental damage; and

WHEREAS, raising real property tax to meet the increase in service demands would not be fair when the responsible party(s) should be held accountable for their actions; and

WHEREAS, the Board of the White County Fire Department desires to implement a fair and equitable procedure by which to collect said mitigation rates and shall establish a billing system in accordance with applicable laws, regulations and guidelines; Now, Therefore

BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE WHITE COUNTY FIRE DEPARTMENT:

SECTION 1: The White County Fire Department shall initiate mitigation rates for the delivery of emergency and non-emergency services by the fire department for personnel, supplies and equipment to the scene of emergency and non-emergency incidents as listed in "EXHIBIT A". The mitigation rates shall be based on actual costs of the services and that which is usual, customary and reasonable (UCR) as shown in "EXHIBIT A", which may include any services, personnel, supplies, and equipment and with baselines established by addendum to this document.

SECTION 2: A claim shall be filed to the responsible party(s) through their insurance carrier. In some circumstances, the responsible party(s) will be billed directly.

SECTION 3: The fire department's Board may make rules or regulations and from time to time may amend, revoke, or add rules and regulations, not consistent with this Section, as they may deem necessary or expedient in respect to billing for these mitigation rates or the collection thereof.

SECTION 4: It is found and determined that all formal actions of this Board concerning and relating to the adoption of this Resolution were adopted in open meetings of this Board, and that all deliberations of this Board and any of its committees that resulted in such formal actions were in accordance with all legal requirements, and the Codified Resolutions of the Board.

SECTION 5: This resolution shall take effect at the date of adoption.
