

## WHITE COUNTY BOARD OF ASSESSORS

### Meeting Minutes

February 14, 2018

9:00 A.M.

The White County Board of Assessors held a regular meeting on Wednesday, February 14, 2018. In attendance were Board Chairman Roy Johnson, Board Member Warren Glover, Board Member Bill Schofill, Chief Appraiser Bryan Payne and Secretary Jennifer Saxon.

#### **CALL TO ORDER**

- Board Chairman Roy Johnson called the meeting to order at 9:00 a.m.

#### **INVOCATION**

- The invocation was delivered by Board Chairman Johnson.

#### **MINUTES**

- The Board reviewed and signed the minutes from the January 10, 2018 regular meeting. A motion was made by Board Member Warren Glover to approve the minutes with a second from Board Member Bill Schofill. By consensus vote the motion was carried.

#### **OFFICE UPDATE**

- Budget Summary: Chief Appraiser Payne updated the Board on the 2018 FY budget status. The target percentage is 41% and we have 48% remaining.
- Monthly Sales Report: Chief Appraiser Payne informed the Board that there would not be enough 2018 sales keyed into the system to generate a report this month. The focus at this time is on the 2017 sales data, which reflects that the overall base rate needs to be increased. Currently, the base rate is \$62/SF, Chief Appraiser Payne stated that preliminary data indicated the base rate should be closer to \$72/SF. Chief Appraiser Payne told the Board that he would have more detailed information at the March meeting.
- 2017 Deed Processing/Building Permit Update: Chief Appraiser Payne presented the Board with charts showing a breakdown of deeds and building permits processed in 2017 for the 2018 assessment year. That printout is attachment 1 to these minutes.
- Board Room Renovation: Chief Appraiser Payne provided a sketch prepared by Maintenance Director Ken Payne showing the proposed office renovation. Per County Administrator Michael Melton's direction, the funds request for the remodel will be included in the 2019FY budget under Capital Outlay. This will be the second fiscal year that the funds have been requested for the remodel.

**OLD BUSINESS**

- Approval of the 2018 Policy & Procedure Manual: Secretary Saxon stated that she had made two corrections to the manual – her title was corrected to Deputy Chief Appraiser per Chairman Johnson’s review; and the dates for CAVEAT were updated to May 15-17, 2018 per information received from the University of Georgia. The Board requested no other amendments to the policy. A motion was made by Board Member Glover to approve the 2018 Policy & Procedure Manual, with a second from Board Member Schofill and the motion carried by consensus vote.

**NEW BUSINESS**

- 2019FY Budget Review and Approval: Chief Appraiser Payne presented the 2019FY Budget to the Board for review and approval. Chief Appraiser Payne explained that the total budget increased based on the 2.5% cost of living raise implemented by the Board of Commissioners in December as well as a \$55 increase to Dues; a \$30 increase to Equipment Leases; a \$130 increase to Subscriptions and a \$60 increase to Phone Expense. The proposal includes a \$17,350 request for a personal property audit and a \$4,000 Capital Outlay request for office remodeling. There was a brief discussion regarding the per diem for the Board, at which time Chairman Johnson advised Chief Appraiser Payne to conduct some research to see what was currently considered customary for Board pay. Board Member Schofill made a motion to approve the budget as is, and if research indicated a change in per diem was warranted it would be at Chief Appraiser Payne’s discretion to make those changes before the budget submission on February 20, 2018. Board Member Glover seconded that motion, and it was carried by consensus vote.
