

## WHITE COUNTY BOARD OF COMMISSIONERS

### MINUTES FROM CALLED MEETING HELD FEBRUARY 26, 2007

AT 4:30 P.M.

The White County Board of Commissioners met in a called session at 4:30 P.M. in the Commissioners' Office of the White County Courthouse, Cleveland, Georgia. Present were: Chairman Chris R. Nonnemaker, Post 1 Commissioner Joe R. Campbell, Post 2 Commissioner Craig Bryant, County Manager Alton E. Brown, Chief Financial Officer Vickie Neikirk, and County Clerk Jean Welborn.

Chairman Nonnemaker called the meeting to order.

Judge David Barrett and Judge Lynn Alderman spoke to the Board of Commissioners concerning the need for a County supplement to the salary of the Superior Court Judges in order to receive a third Judge for the Enotah Circuit. Judge Barrett stated that they needed to get the Enotah Circuit supplement up to the Appalachian Circuit supplement of \$20,715.00 per year. Judge Barrett stated that the County was already paying \$22,000 in supplements (\$12,000 to Judge Barrett and \$10,000 to Judge Alderman); that the Circuit had \$20,000 in extra secretarial money that they had not spent; that they still needed \$18,750.00; that White County's portion of this (or 28%) was \$5,250.00 per year to buy a new judge; that with the new judge, the Circuit would get a third superior court judge, a new assistant District Attorney, a new Public Defender, all paid by the State, whenever the Bill would become effective.

Judge Alderman stated that there would also be a state-paid secretary with the third judge; that this would reduce the case load for the current judges and their staff. Judge Barrett stated that they would also get a new law clerk paid for by the state; that they presently had one law clerk to serve two judges.

Chairman Nonnemaker asked what the current state salary was for a superior court judge. Judge Barrett stated that it was \$108,000 and might go to \$128,000 if certain legislation passed. Chairman Nonnemaker stated that it bothered him that they had Sheriff's deputies that they could not afford to give merit pay increases, yet they were being forced by the state to give judges who were making over a \$100,000 supplements to get a third judge that would cost them more money; that there were costs associated with this, including office expenses, etc.

Commissioner Campbell stated that he felt that the demand for an additional supplement was a political move; however, he felt that the extra money that it would cost the County could be justified by getting the criminals through the jail and court system faster with another Judge; that the County was having to pay to board out prisoners in other counties; that he did not like politics to interfere with what was right for the people; that in his opinion the Circuit needed another judge; that should they let this opportunity pass, it may be 3 to 4 years before they had another chance to receive the third judge; that he felt the people would be better served if they bit the bullet and complied with this request.

Judge Barrett stated that the District Attorney made \$107,000; that the Public Defender made \$89,000. Chairman Nonnemaker stated that, to be fair, they should have supplements also.

Chairman Nonnemaker stated that this was not budgeted. Judge Barrett stated that the earliest that this would be effective was July 1. Vickie Neikirk stated that the Enotah Circuit expenses were not a part of general fund; that the Circuit had a fund balance.

Sheriff Walden stated that it cost \$35.00 per day to board out a prisoner.

Chairman Nonnemaker stated that they needed to have a meeting of the representatives of the counties in the Circuit around April. Judge Barrett stated that he had a death penalty case that should be finished by that time.

Commissioner Campbell made a motion, seconded by Commissioner Bryant, to fund the supplements for the Superior Court Judges to be paid from the fund balance of the Enotah Circuit in an amount not or exceed \$5,250 per year, or White County's pro-rated share, of the supplement in order to pay an annual \$20,000 supplement to each judge to obtain a third Superior Court Judge for the Enotah Circuit, which supplements shall go into effect at the time that the third judgeship shall become effective. The vote to authorize the supplement was unanimously adopted.

Upon motion made by Commissioner Bryant, seconded by Commissioner Campbell, it was unanimously voted to authorize the execution of the Right-of-Way Agreement with D.O.T. for aggregate surface course.

Upon motion made by Commissioner Bryant, seconded by Commissioner Campbell, the following Resolution was readopted to show support by the current Board of Commissioners:
